The Ultimate Colormap Maker with Freqsep Control by NBP and Chris Reid.Q: Do you have to turn off the oven when using a microwave popcorn maker? So, I'm going to be doing popcorn for a movie night and it'll be in an enclosed room, so I'll be setting up a microwave popcorn maker. I'm just not sure if you have to turn the oven off or put the microwave inside the oven before using the popcorn maker. A: No, but you have to pay attention to "overcooked" and "burned." Microwave popcorn is cooked to a different color. If the microwave has a timer, you can set it for a certain time (e.g., 8 minutes). But you should be careful not to over-pop. A: No, the
