Back in 2009, The Young and the Restless' photographer Debbi Morgan began photographing the wedding ritual. What she captured is breathtaking. We're sure you're going to want to share the photos with all your dear friends. Debbi Morgan's photography style is subtle, elegant and a visual feast that won her a wedding photography award from the Bay Area Bridal Guide and became a leading figure in the industry. Yes, the David and Victoria wedding of 2011 was lovely, but the event goes to show that looks are not the only thing you should consider when choosing your wedding photographer! After seeing a short video on her Facebook page, we decided to run to check out Debbi's website and soon we were blown away by her talent and skills as a wedding photographer! What was once a simple experience of documenting the bliss of love has turned into a beautiful art form that will be treasured for the rest of your lives. If you're looking for a photographer who can share her craft, grace, professionalism and exquisite attention to detail with you, then you're in the right place. It's no question that you're
